

# West Coast SAILING

---

West Coast Sailing will have access to **Laser Event Boats**. We are now taking pre-orders.

These boats will be sailed at two events, Youth Champs and Smythe. They will be packaged with a **Seitech Dolly** as well as a **brand new sail**. As an additional bonus for Fall, each Laser will get a **free set of covers**. The boats will be 2011 model year boats with upgraded vang/cunningham/outhaul. Finally, with the event on the West Coast, inbound shipping will be half price, with the usual no sales tax when picked up in Oregon.
